IST's Committed Instrumental Music Programme is for students who have decided which instrument(s) they wish to pursue. Students may combine Committed lessons with Exploratory Lessons. Note that, except for Piano, students should have their own instrument* for Committed lessons. Lesson assignments will be made on a first-come, first-served basis so please return this form to the Head of Music as soon as possible. Please indicate your preference for lesson days/times and we will do our best to meet your request. Preference will be given (1) to students who have previously participated in lessons at IST and (2) to students who sign up for a full semester or year. Please use separate forms for siblings, but make a note below so that we can coordinate your request. If you have any queries or concerns, please contact the Head of Music. Parents are encouraged to attend all or part of the lessons in order to be better prepared to support your child at home during practice.
