The “IST Edge” 2011 / 2012

Basic Tuition covers IST’s *basic operating needs* (staff compensation, building expenses, utilities, insurance, equipment and supplies, and the special expenses incurred as a language immersion school - staff visas, foreign textbooks etc.). Basic Tuition is not tax deductible.

The **IST Edge** is a *tax-deductible donation, with a suggested minimum amount equivalent to 7 percent of the PS Base Tuition Fees*. It specifically provides funds to support significant special services and equipment, such as broadened financial aid for qualified families, staff professional development, beyond-basic library resources, and beyond-basic computers, software, and equipment not otherwise provided through Basic Tuition (but still 100 percent part of the School’s General Operating Budget).

All families are encouraged to participate in the IST Edge programme, which can be incorporated into your general Tuition Payment - in a lump sum or automatically with your “Two-pay” or “ten-pay” tuition instalment plan. (Instalment fees will not be added to your Tuition Edge donation.)

Your IST Edge participation is **100 percent tax-deductible.**
